

**Grains and Vegetables**

**Oat Flakes**

All-Natural, 100% Oat Flakes, Nondiastatic Whole Grain Ingredient, Pregelatinized

100% Pure Oats That Has Been Pregelatinized For Reduced Cook Time, Rapid Moisture Absorption, Extended Shelf Life, And Low Micro Counts. Oat Flakes Require No Soak Or Pre-Cook And Can Be Incorporated Directly Into The Dough. The Pregelatinization Process Eliminates Enzymes That Can Break Down Dough Structure In Baked Goods. Oat Flakes Are Highly Digestible, Nutritious And Enhance The Wholesome Appeal And Natural GoOdness Of Finished Foods. Oat Flakes Is A True Whole Grain Ingredient That Is Specially Processed From The Whole Oat Kernel. It Is Kosher Certified And Made From Non-Gmo Sourced Raw Materials For A Clean Label.

**Applications:**

Wholesome Goodness, Texture, Color And Flavor With No Soak Or Pre-Cook, Baked Goods: Multi-Grain Breads, Bars, Cookies, Cereal, Granola

**Typical Analysis**

**Sensory Characteristics**

Color: Tan  
Taste: Clean Oaty

**Physical And Chemical Properties**

Moisture: 7.0%  
Ash: 2g Per 100g

**Microbiological Measurements**

(Per Gram)  
Standard Plate Count: <5000  
Yeast/Mold: <1000  
Coliform: <100  
E. Coli: <10

**Label Ingredient Listing**

Oat Flakes Or Rolled Oats

**Storage And Shelf Life**

Best if used within 3 months from date of manufacture. Store at temperatures of <90 °F.
